Immersion

Language programs are most effective in the long-term. **We hope that students who begin at two or three years of age stay through kindergarten and continue as a student in later years.** Can you tell us how long you plan to remain enrolled in the program and what plans you have after La Escuelita Arcoiris?

Please let us know if you are residing in Pittsburgh or surrounding areas temporarily:

Volunteerism

We count on our families to help our program thrive. Volunteering creates a positive relationship with your child's school, builds community for all, and ensures that your child will blossom in his or her first educational setting. Service is accepted in many forms, but will be totaled up to 25 hours per year and is greatly appreciated.
