This schedule is for the 2026-2027 Twelve Month Period, which begins September 7, 2026 and runs through August 20, 2027. This covers 48 weeks, excluding federal holidays, in-service, spring/winter/summer breaks and two parent/teacher conference days.

Annual tuition is based on 12 monthly payments. Please contact our main office to arrange a payment plan that better suits your family's needs if necessary.

A non-refundable materials fee, along with a non-refundable enrollment deposit equivalent to one month's tuition, will be due upon enrollment. This enrollment deposit will then be applied to your 12th month's invoice.

A sibling discount of 10% will be applied towards the older child's tuition during coinciding enrollment periods.

As program expenses for La Escuelita are consistent, even when your child misses time due to illness, vacation, etc., we cannot extend tuition credit for missed days.

La Escuelita Arcoiris participates in subsidized assistance programs through ELRC and Head Start. Scholarships are available for families who are looking for tuition assistance and do not qualify for the above programs. More details can be found on our website.

Winter break camp and Spring break camp will be offered, for an *additional* enrollment fee. The exact dates for enrollment will be shared closer to the start of each break..

All Escuelita families will be encouraged to contribute to the school by volunteering. We are a community-based school that relies on the input of its community to help it thrive. If you are unable to contribute time, please talk to the administration about a donation.

If you would like to make a monthly tax-deductible contribution by **'rounding up'** your tuition payment, please indicate any amount of your choosing on your Financial Policy Contract. Terms of Withdrawal are outlined in the Financial Policy Contact (FPC) and strictly enforced.
